

INTRODUCING

THE BAD BIRDY MOBILE BAR

BY KROWNE

"Together, we are developing innovative solutions to make the bartender's cockpit exciting and efficient."

- Bad Birdy, Krowne Bar Ambassador

MERGING BAD BIRDY'S CREATIVE VISION WITH KROWNE'S TECHNICAL EXPERTISE

Following huge demand for a mobile station in the wake of the Bad Birdy x Krowne partnership in December 2021, both Bad Birdy and the Krowne team started brainstorming for their next big launch. This laid the foundation to create a mobile station rooted in its bartender-friendly approach with a functional zero-step layout that maximizes profitability and efficiency.

Shipped completely assembled so you can put your new mobile bar to use immediately.

Custom Wilsonart Laminate (Pepper Planked Alona) Panels and Black Vinyl trimming to give sleek aesthetic design and prevents damage when unit comes into contact with foreign objects.

Locking casters with rubber tread allows unit to be easily moved over a variety of surfaces.

Plumbing lines ship pre-connected to drain containers for ease of use.
