Sizzle 'n Chill Refrigeration

Sizzle 'n Chill Self-contained Refrigerated Base System for Countertop Equipment

- Self-contained refrigerated bases are available for griddles, broilers and hot tops.
- Cold storage addresses food safety concerns.
- Energy efficient. Does not require installation, simply plug into a 110 V. outlet.
- Fully insulated cabinet and drawers to prevent temperature migration.
- Gasket surrounds drawer to ensure temperature maintenance.
- Front mounted digital thermometer is easy to read.
- Each refrigerated drawer holds two full size pans. Top drawer holds 6" deep pans, bottom holds 4" deep pans.
- Recessed drawer handles are conveniently out of the way.
- Oversized stainless steel drawer guides with heavy duty double skate rollers and stainless steel bearings can withstand 275 lbs.
- Drawers remove easily for cleaning.
- Stainless steel front, ledge and sides.
- UL, UL Canada, UL Sanitation Certified and complies with NSF7.

Also available with integrated "one-piece" Sizzle 'n Chill systems with a variety of broiler, griddle and hot plate tops.

Grease Cleaning Conveniences
 Models feature a wide stainless steel grease trough. The front is one-piece rolled for easy cleaning. The deep grease can has 1 gallon capacity.

Burner Options
 Manual and thermostatic 12" 20,000 BTU/hr.
 Thermostatic action 12" 24,000 BTU/hr.

Special Chrome Plated Mirror Finish
 Easy to clean. Reduces heat retention within the griddle plate to lower operating costs. Temperature is more evenly controlled across the griddle plate. Reduces flavor transfer between menu items.

Grooved Griddles
 Griddle plates are grooved at the front for quick delivery. Full or partial grooving are standard. Chrome finish available.

Culinary Series - Premium Countertop Cooking Equipment

Char-Broilers

IAB(C)(R)(S)-36

Steakhouse Broilers

- 3 burner options.
- 3 position grate.
- 3 top grate options for more cooking flexibility.
- Searing surface temperature for high production output.
- Stainless steel front and sides.

EBA-3223

Imperial II Char-Broilers

- Char-rock provides high temperatures to sear-in juices.
- 35,000 BTU/hr. "H" type burner is located every 12".
- Stainless steel front and sides.
- Space saving 23" depth.

IRB-36

Radiant Char-Broilers

- Individually controlled 15,000 BTU/hr. stainless steel burners are located every 6".
- Removable reinforced cast iron radiants prevent clogging of burners and provide attractive char-broiler markings.
- Stainless steel front and sides.
- Includes 4" adjustable legs.

ICB-4836

Chicken Broilers

- 250,000 BTU/hr. assures even heat distribution for fully cooked chickens.
- Large 36" deep broiling surface will hold 15 three pound chickens.
- Non-stick cooking top grate made of round rod designed for chicken.
- Stainless steel front and sides.

MSQ-36

Mesquite Wood Broilers

- Built-in gas log lighter burner eliminates the need for lighter fluids or electric starters.
- Burner may be used to start up wood during "peak" times.
- Broiler may use any type of wood or charcoal.
- Stainless steel front, door and sides.

Griddles

ISAE-36

Snap Action Griddles

- 24,000 BTU/hr. "U" shaped burner every 12" with heat diffuser plate to speed temperature recovery.
- Snap action thermostat control every 12".
- Fast recovery $\pm 7^{\circ}\text{F}$. Solid state model has a $\pm 2^{\circ}\text{F}$.
- Stainless steel front and sides.

IMGA-3628

Heavy Duty Manually Controlled Griddles

- 30,000 BTU/hr. burner located every 12".
- Range match profile when placed on a refrigerated base or equipment stand.
- 3 1/2" w. grease trough and 1 gal. grease can.
- Includes 4" adjustable legs.

ITG-36

Heavy Duty Thermostatically Controlled Griddles

- 30,000 BTU/hr. burner located every 12".
- Range match profile when placed on a refrigerated base or equipment stand.
- 3 1/2" w. grease trough and 1 gal. grease can.
- Includes 4" adjustable legs.

IGG-36

Grooved Griddles

- 30,000 BTU/hr. burner located every 12".
- 1" thick grooved plate.
- Range match profile when placed on a refrigerated base or equipment stand.
- Stainless steel front and sides.
- Includes 4" adjustable legs.

ITY-48

Teppan-Yaki Griddles

- 30,000 BTU/hr. burner located in the center "hot spot" of the griddle plate for Japanese steakhouse cooking.
- 3/4" thick polished plate.
- Stainless steel front and sides.

Hot Plates

IHPA-6-36

Hot Plates

- 28,000 BTU/hr. **PyroCentric**® burner heads for high performance cooking and easy cleaning.
- Range match profile when placed on a refrigerated base or equipment stand.

IHPA-6-36SU

Step-Up Hot Plates

- 28,000 BTU/hr. **PyroCentric** burner heads for high performance cooking and easy cleaning.
- Range match profile when placed on a refrigerated base or equipment stand.

Fryer

IFST-25

25 lb. Fryer

- 25 lb. oil capacity.
- 14" x 12 1/2" frying area.
- 65,000 BTU/hr. tube fired burner.
- Stainless steel frypot, front, sides and back splash.

Raised Griddle Broiler

RGB-24

Raised Griddle/Broilers

- 15,000 BTU/hr. burner located every 12".
- Stainless steel front and sides.
- Broiler grate easily pulls out.
