Storage Bins
Dispensers

Icetro ice machines, bins, and dispensers are proudly made in South Korea to the highest standards of quality, serviceability, and performance. They will ensure a constant supply of ice, whether it be cube, half cube, nugget, flake, or gourmet, and come in a variety of configurations: modular, undercounter, and dispenser. Icetro is proud to be a Middleby Company and strives to uphold its tradition of excellence in the food service equipment industry.

EASE-OF-USE

Icetro ice machines are designed to be easy to access, clean, and repair

- Simple diagnostic panel to provide operating status and basic control
- Front panel is hinged for quick and easy access for cleaning and inspection, and can be removed entirely if necessary
- The side panels are also easily removable for complete access to the interior components from the front
- Stainless steel panels for optimum longevity and appearance

- Water curtain, pump, water trough, and float switch can all be removed easily by hand, no tools required
- Anti-microbial plastic parts are made of thick, strong ABS, with non corrosive base, for maximum durability, sanitation and cleanability
- Front diagnostic panel shows units working operation status, and diagnostics if unit shut down occurs.

- Electrostatic air filter on back of machine attaches by magnets and is easily re-moved by hand for quick cleaning and snaps back into place
- Automatic cleaning cycle is switch-activated

PERFORMANCE

Icetro ice machines are designed to minimize downtime and delivery maximum production in all conditions

- 3-way ventilation exhausts from both sides and top panels
- This allows for improved air flow and noise reduction
- Icetro IM ice machine models are Energy Star® Certified

- All units are tested for 3 cycles at the factory in Korea before shipping
- Icetro units are easy to clean and provide labels with instructions inside front door with service data diagnostic information if needed

- Water flush is adjustable for hard water areas to help minimize scale
- Magnetic switch used to stop ice production when bin is full

COMMERCIAL WARRANTY

Ice machines – Undercounters, Modulars

- 3-year parts & labor
- 5-year part & labor for evaporator
- 5-year part & 3-year labor for compressor

Ice machines – Flake, Nugget, Ice/Water dispensers

- 3-year parts & labor
- 5-year part & 3-year labor for compressor

Ice storage bins

- 3-year parts & labor

RESIDENTIAL WARRANTY

All ICETRO equipment, if installed in a residential setting:

- 1-year parts & labor

And don't forget our unique IcePro Citryne filter solution, which when used correctly can add an extra year to your warranty coverage.
