DESCRIPTION

Carter-Hoffmann MDPM Heated Pie Merchandisers are designed for individually boxed hand held pies at serving temperature. They feature double wall insulated construction. All electrical components are located at the top of the cabinet for protection and easy service. Viewing holes at the base of the door indicate when product level is low. The controller features adjustable temperature and digital display. Active heat circulation throughout the cabinet maintains even temperature distribution.

SHORT FORM SPECIFICATIONS

Heated pie merchandiser. Double wall insulated stainless steel construction with 1" fiberglass insulation. Electric blower heat. Digital controller with adjustable temperature setting; factory pre-set for 165°F(74°C); audible low temperature alarm. Forced air heating throughout. Removable pie caddy with air circulation holes. Viewing holes at the base of door to monitor stocking levels. MDPM2 & MDPM2-SD: two columns for pie merchandising. MDPM4: three columns for pie merchandising. Standard electrical configuration: 120V, 500 watts, 4.2 Amps, 60Hz, single phase. Six foot power cord with NEMA 5-15P plug.

FEATURES

- Stainless steel, insulated construction.
- 1" fiberglass insulation
- Stainless steel removable pie caddy accommodates individually boxed pies. MDPM2 & MSPM2-SD: 2 columns; MDPM4: 3 columns
- Double panel, insulated stainless steel door.
 - Built-in finger grab and magnetic catch
 - Viewing holes at the base to indicate low product
 - MDPM2 & MDPM4: lighted POP display
 - MDPM2-SD: solid stainless steel door
- On/off switch with power light
- Programmable controller with digital temperature display and low temperature alarm
- Factory pre-set temperature of 165°F (74°C)
- Forced air heating system
- Preheat to 165°F (74°C) in 10 minutes
- Precision-engineered holes in pie caddy for even, efficient air circulation throughout

OPTIONS AND ACCESSORIES

- 200-208V, 413/446 watts, 2.2-2.1A, 50/50Hz*
 - 220-240V, 500/595 watts, 2.3-2.5A, 50/60Hz*
- *International versions (specify plug type by destination country)

CERTIFICATIONS
