Star® Hot Dog Broilers

□174CBA □175CBA

174CBA

175CBA

DESCRIPTION

Star's Broil-O-Dogs are designed for ease of use, perfect broiling and terrific merchandising of your products with easily accessible heated bun storage. With four model variations of cradle or spike-type wheels to choose from, Star offers you the right broiler for use in convenience stores, quick serve restaurants, concession areas, snack bars or wherever you want to increase your hot dog sales.

SPECIFICATIONS

Hot dog broiler is constructed of stainless steel and is available with cradle or spike wheel with a built in bun warmer and optional sneeze guard. Built-in 50 watt bun warmer with 6 x 10 x 4 (model 174) or 12 x 10 x 4 (model 175) pan with rack for buns. Unit features a lighted on/off switch, adjustable infinite control and a momentary wheel switch. Shipped with a 6' lead-in cord and NEMA 5-15 plug for 120V. Broiler is approved by Underwriters Laboratories, UL listed to NSF Standard 4 and Canadian standards. The 174 CBA has a 1050 watt heating element. The 175 CBA has a 1250 watt heating element.

WARRANTY

These units come with a one [1] year warranty for parts and labor.

FEATURES

- Stainless steel cradle-type hot dog wheel provides basting action that rolls the dogs resulting in more evenly cooked products with consistent color
- Durable tempered glass panels
- Built-in pull out heated bun warmer with removable washable stainless steel pan keeps buns warm and ready to serve without becoming soggy
- Momentary wheel switch for easy loading and unloading of product
- Adjustable infinite control provides a wide range of temperature control
- Colorful merchandising graphics to build impulse sales
- Illuminated cabinets for better visibility
- Lighted "on-off" switch for visual control
- Optional accessory items include sneeze guard and self-serve door

CAPACITY

MODEL	Capacity & JUICE TRAY DETAILS
