

## Vegetable preparation machine CA-601 120/60/1

**AUTOMATIC HOPPER FOR GREAT PRODUCTION.**

**It consists of a 1-speed motor block and an automatic hopper.  
Other hoppers available.**

- It consists of a 1-speed motor block and a great production hopper.
- Stainless steel construction and highest quality material, all suitable for contact with food.
- New production technology that give a uniform, highest-quality cutting result.
- The large range of high quality discs and grids allows the operator to obtain over 70 different styles of product.
- Ergonomic design.
- Lateral product ejection, which allows the appliance to be placed in a less deep working surface. This directs the product avoiding splashing.
- Electronic, user-friendly control board.
- Easily removable lever and lid for cleaning purpose.
- NSF-International certified appliance (complying with Hygiene, Cleaning and Food Material regulations).
- Please note: as a result of continuous product improvements, these specifications are subject to change without prior notice.

**DEFAULT EQUIPMENT**

- 1 speed motor block.
- Large production, automatic hopper.

**OPTIONAL EQUIPMENT**

- Large capacity hopper.
- Long vegetable attachment.
- Stand-trolley.
