

# Outdoor Heaters – Beautiful, Warm & Inviting

## Pyramid Outdoor Heater

The four foot dancing flame inside the uniquely artistic, pyramid design illuminates the environment with a beautiful ambiance. It comes in two different finishes to fit any decor – stunning hammered bronze and high-grade stainless steel. These units will remain corrosion-free for years to come. It also comes fully assembled with a complimentary wheel kit making it easy to reposition and store. Each unit comes equipped to handle propane gas (tank not included).

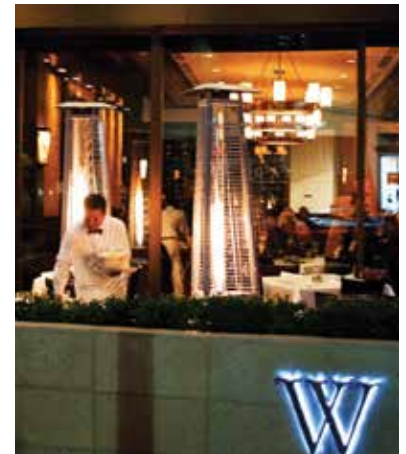

- 8 feet tall
- Propane (tank not included)
- 38,000 BTU
- Shatter resistant borosilicate glass
- Easy start electronic ignition
- Safety shut-off valve
- Protective, safe-to-touch grill
- Available in two finishes
- 1 year limited burner warranty
- Consumes less energy than comparable units

2222-01 Hammered Bronze

2233-01 Stainless Steel

Heaters offered by Plantation Prestige are intended for commercial use, made with the highest grade of steel and commercially rated parts. They both come with a warranty, unlike some purchased through a retail outlet.
