

CAN STORAGE and DISPENSING RACKS | STAINLESS STEEL

Easily organize your can inventory and increase efficiency with these dispensing racks.

- Gravity feed system puts cans at fingertip for quick and convenient access
- One-hand dispensing from the front allows for multi-tasking in a fast-paced environment
- Ensure "First In First Out" inventory management by loading from back
- Heavy-duty stainless steel construction is durable for worry-free performance
- Tops are reinforced 18 gauge stainless steel to withstand additional weight of more cans or other storage items
- Mobile model 458 moves easily for convenient loading and floor cleaning
- Stationary model 478 provides for extra storage in a smaller footprint

 **Freight Class: 125**
Ships in: **10** days or less!
