

Model AMSO22 shown

Heavy Volume

Amana® Commercial Jetwave™ Model AMSO22

Power Output

- 2200 watts of power.
- 11 power levels for consistent, delicious results for frozen, refrigerated and fresh foods - from the freezer to table in minutes.
- Unique method of energy distribution provides superior and even heating throughout the cavity.

Easy to Use

- Ample 1.6 cubic ft. (45 liter) cavity accommodates two standard 4"(102) full size pans.
- Up to 100 programmable menu items can be used to simplify cooking and ensures consistent results.
- USB port compatible with standard flash drives, updates programming in seconds.
- Four stage cooking options with one-touch programming. Reduces prep time, labor and food waste while providing consistent results.
- Controls are user friendly and require minimal training.
- Quantity pad calculates the proper cook times for two servings.
- Automatic voltage sensor for easy installation.
- Transparent door and lit interior allows monitoring without opening the door.
- Interior ceramic shelf is recessed to reduce plate-to-shelf edge impact and keep spills contained.

Easy to Maintain

- Stainless steel exterior and interior for easy cleaning and a professional look.
- Constructed to withstand the foodservice environment
- Magnetic front air filter for easy removal and cleaning.
- Clean filter reminder to protect oven components.
- Backed by the ACP, Inc. 24/7 ComServ Support Center, 866-426-2621.
- ETL Listed

Heavy Volume

This category of microwave is ideal for...
