- One year limited warranty, parts and labor.

Model AHS-4836
Shown with optional
stand & casters.

The American Range AHS Horizontal Chicken Broiler brings the flavor and excitement of backyard chicken broiling to the commercial kitchen. Design engineered with an open bottom grate for optimal fuel combustion, and round rod non-stick cooking grates, the high BTU output of the AHS assures even heat distribution for fully cooked chickens.

The AHS features a stainless steel rugged exterior body and heavy duty liner to protect the interior from burn out. A rotisserie option is available for even more cooking production with minimal operator attention.

Look to American Range for innovation, reliable performance and quality, now and for all your future commercial cooking equipment needs.
