Model Shown ARGB-36

The **Culinary Series** by American Range ARGB Series Raised Griddles are design engineered to provide the ultimate in performance and durability. These are ideal for breakfast, bagel snacks and hamburger restaurants. The compact design saves counter space while allowing griddle and broiler operation. The durable chrome plated slide-out rack and full-length removable drip tray are easy to clean. As with all of our heavy duty countertop equipment, they are built to the highest commercial standards to ensure years of trouble free service, featuring superior frame construction and Stainless Steel exterior for easy maintenance. Combine all of this and our affordable prices and you have the best value for your budget.
