

the **SUSTAINABLE ALTERNATIVE**
to traditional foodservice items

BambooMel™ is crafted from rapidly renewable bamboo fiber and quality melamine. This innovative dinnerware is reusable and biobased – combining the best of two worlds. Unlike the typical biodegradable, single-use plate, BambooMel™ is constructed for multi-use commercial applications and is commercial dishwasher safe and break-resistant. BambooMel™ is the perfect way to showcase your commitment to sustainable business solutions!

** Color may vary slightly due to the natural characteristics of bamboo.*
