A WINSTON INDUSTRIES INNOVATION CVap Cook & Hold Oven

CAC507 STACKED PAIR CVAP® COOK & HOLD OVENS

EXCLUSIVE TECHNOLOGY

Patented Controlled Vapor Technology (U.S. patent #5,494,690) establishes that the water vapor content in the oven is the same as that of the food. This unique process cooks food fast, produces high yield and precise control of internal food temperatures.

EASY-TO-USE CONTROLS

Microprocessor allows simple push-button operation with just three inputs; Doneness Temperature (90 to 200° F (32 to 93° C)), Browning Level (from 0 for high yield, to 10 for optimum browning), and Cook Time. Never needs calibration.

DURABLE

Built to last with quality craftsmanship, high grade stainless steel construction, and full insulation on top, sides, and doors. Features perimeter door gaskets, magnetic door latches, lift-off doors, removable side racks, and digital readout.

BETTER CONTROL OF FOOD QUALITY

When the cook cycle is complete, oven will automatically switch to hold mode. Hold your menu items at just-cooked quality and precise serving temperatures for extended times.

INDUSTRY COMPLIANT

CVap equipment complies with domestic and international requirements such as UL, C-UL, UL Sanitation, CE, MEA, and others.

CAC507 CVAP® COOK & HOLD OVEN

HALF SIZE STACKED MODELS WITH FANS

8000 Series Electronic Controls

CVap® Cook & Hold Ovens are designed to perform a wide variety of applications and techniques, including cooking & staging, poaching, braising, low-temp steaming, bagless sous vide, confit, low-temp baking, and more.

SHORT FORM SPECS

Shall be Winston CVap Cook & Hold Oven model CAC507-Stacked pair for roasting, cooking, and holding; and utilizing Controlled Vapor Technology (U.S. Patent 5,494,690). To have means for operator to select Food Doneness Temperature (from 90 to 200° F (32 to 93° C)); Browning (0-10); and Cook Time (0 to 24 hours).

CONSTRUCTION

MATERIALS: To be commercial and institutional grade stainless steel interior and exterior to provide ease of cleaning and long service life with reasonable use and care.

RACKING OF FOOD: Adjustable racks (on 3.5" (89 mm) centers) are supplied (8 pairs total for stack). Rack supports accommodate wire racks, sheet pans, gastronorm, or steam table pans.

DOORS: Field reversible hinges to allow door lift off to facilitate cleaning. Magnetic door latch.

CASTERS: Includes 2 locking, 2 non-locking, heavy duty, non-marking. INSULATION: Full-perimeter.

CONTROLLER: Computerized processor control with settings for doneness level, browning, cook and hold times, °F and °C button, and constant cook/hold cycle.

WATER FILL: Connect to potable water supply through saddle valve and tubing kit (supplied). Low mineral potable water is recommended, otherwise use deionizer/demineralizer to minimize corrosive damage.

VENTILATION: Allow at least 2" (51 mm) clearance on sides, particularly around ventilation holes. Install with supplied casters. Refer to owner's manual for specific installation instructions. Generally this equipment does not need to be installed under a mechanical ventilation system (vent hood). Check local health and fire codes for requirements

ELECTRICAL: Supplied with 84" (2134 mm) (minimum) power cord and plug

LOAD LIMIT: 65 lbs. (29.25 kg) per rack.

WARRANTY

specific to your location.

Limited 1 year warranty (excluding gaskets, lamps, hoses, power cords, glass panels, and evaporators). Warranty disclaimer for failure to clean. Ask for complete warranty disclosure.

SPECIFY THE FOLLOWING WHEN ORDERING:

STANDARD (NO ADDITIONAL COST):

- 1. Voltage preference: 208V or 240V.
- * Inquire about international voltages and availability.
- 2. Hinge preference: Left or right hand hinge.
- 3. Casters: Choice of 3" (76 mm) casters or 5" (127 mm) casters.
- 4. Controller: Silver Edition, 2 channel control.

OPTIONAL (ADDITIONAL COST):

- 1. Window: Window in doors.
- 2. Pass Thru: Second door on back of oven.
- 3. Pass thru/Window: Second door on back of oven, windows in both
- 4. Controller: Gold Edition, 6 channel control.
- Full-perimeter bumpers: 5" (127 mm) casters (2 locking), (2 non-locking).
- Extended Warranty: Adds parts and labor warranty coverage for one additional year.
- 7. Added accessories or supplies.

INCLUDED ACCESSORIES (NO ADDITIONAL COST)

PS2206 Chrome wire oven racks (set of 4)

ACCESSORIES & SUPPLIES (ADDITIONAL COST)

PS2206-4 Wire rack/tray (4 - pack)

PS2429 External water filter for auto water fill
