

Kitchen Measurement Tools

Digital High Precision Scale

1.65 pounds/750 grams

CDN expands its *Precision Scales Series* with the Digital High Precision Scale (SD750), measuring to a hundredth of an ounce or a tenth of a gram. This is the go-to choice for weighing small quantities of critical ingredients or precious commodities that need to be measured with unusual exactitude.

This model stands out for its high-precision accuracy weighing up to 1.65 pounds or 750 grams by ounces, troy ounces, pennyweights, grams, carats or grains. Four-button operation makes it easy and intuitive to use.

Features

- Precise to 0.01 oz/0.1 g
- Tare function
- Backlit display
- Clear plastic tray/cover

Specifications
