

Tea Timer

100 hours by hr/min/sec

CDN introduces the convenient Tea Timer (TMT1), offering distinct advantages for busy foodservice professionals including preprogrammed count down timer settings for the most common types of tea: green, white, black and herbal, and an easy-to-use programmable count up and down timer setting.

The Tea Timer counts 100 hours up or down by hours, minutes and seconds. It features a big digit display that makes it easy to read when near or far. The unit also offers stop and restart, an on/off switch to conserve battery life, and 4-way mounting using its pocket clip, magnet, stand or hang.

Features

- 4 preprogrammed steeping timers for green, white, black and herbal teas
- 1 programmable up/down all-purpose timer
- All 5 channels count separately or simultaneously
- Temperature guide on timer
