

## Mechanical Scale

### Kitchen Measurement Tools

132 pounds/60 kilograms

Designed for shipping and receiving, the new CDN Mechanical Scale (SM13201) provides instant, accurate measurements in pounds/kilograms up to 132 pounds /60 kilograms. This heavy-duty spring scale features a removable stainless steel platform and an easy-to-read polycarbonate display.

Offering speed, simplicity and durability, the CDN Mechanical Scale is 8.3 inches wide, 12 inches high and 12.6 inches deep, with an ample 12.6 by 12.6 inch platform. It weighs 13.5 pounds for stability on the floor or counter. The large polycarbonate display is 9.5 inches in diameter, and the black housing is sturdy carbon steel.

### Features

- Tare function
- Field calibration
- Polycarbonate display
- Removable stainless steel platform
