**120AMPS**  
 Opening required for installation: 32"                      \* Handle adds 2.5" (6.4cm) to depth

Adjustable Legs

### Durable Construction

The CE62PESC is built with *prime 20-gauge cold-rolled top and sides* with a 14-gauge base. The *interior is made of Armco Type 1, 20-gauge aluminized steel*. The CE62PESC comes standard with a stainless steel front made of high quality, 18-gauge stainless steel; the door interior is 18 gauge stainless as well.

### Energy Efficiency

The CE62PESC is equipped with twelve (12) energy saving tubular elements and with our unique baffle system, makes the oven highly efficient and eliminates hot spots. The heavily insulated walls coupled with a no vent system, reduces heat loss and keeps the area safe for workers. The CE62PESC is well powered by 24,000 (2) watts, which enables it to have an extremely fast recovery rate.

### Capacity

*The CE62PESC deck size measures 42"x32"x7" (4) decks in two ovens.* The top deck cooks almost as fast - and as well as the bottom, providing outstanding capacity for your money. Actual cooking capacity depends on the size of the pizza you are cooking. The CE62PESC will hold **twenty-four (24)** 12" pizzas, **sixteen (16)** 16" pizzas, or **twelve (12)** 18" pizzas. Cooking time will vary according to product, but will average between 8-10 minutes.

### Space Saver

The CE62PESC requires *less installation space* than our competition. This enables you to free up valuable kitchen and/or hood space. The actual width needed is mere 56" for **42"x32"x7" (4) decks**, almost a foot less than the competition.

### Design Plus

The CE62PESC has digital *controls on the side for ease of operation and space savings*. This also places the controls in their own *air-conditioned area* so they are not affected by outside influences. In addition, the CE62PESC has a new feature: *adjustable top heat control to balance heat*.

### 2-2-2 Warranty

Two year part warranty, two year labor warranty and a two year trouble free service agreement makes the Peerless line of ovens even more desirable.
