Marc Refrigeration

CG Series, Remote & Self-Contained, Curved Glass Merchandiser

**While everyone else says there optional...
only Marc offers these kind of features STANDARD!**

• **Your Choice of Decor Matched Exteriors, FREE!**

You can't name a color that is not available: *brilliant blue, green marble, honey maple, black...* Marc offers hundreds of decor matching exterior panels at no extra cost! Call us with your choice. We'll match it from our enormous collection of finishes, FREE!

• **Curved Glass Top Adds Dramatic Display Potential**

The unique curved glass display area adds tremendous impact to the traditional deli case. Separately refrigerated, this case is the perfect solution to lagging sales. Ideal for prepared salads, seafood, pastries, or the specialty of the house, Marc's Curved Glass Merchandiser is a traffic builder for any business!

• **High Visibility Merchandising Features**

The triple pane, thermoglass front is perfectly angled for the least amount of glare. Full length lighting offers exceptional merchandising opportunities. In addition to our full deck, a mezzanine shelf is included to maximize the display area.

• **Quality Construction Insures Dependable Service**

Mirror finish, stainless steel trim beautifully accents the decor matched exterior panels. A bright white aluminum interior provides for maximum light reflection for the highest visibility. The stainless steel bottom pan, along with a heavy gauge steel frame, insures years of dependable, rust resistant service.

• **Condensate Evaporator Eliminates Need for Drain**

For the self contained unit, the automatic, electric condensate evaporator and automatic defrost clock provide worry-free control of condensation. Together they eliminate the need for plumbing and drain connection on self contained models. +

• **Separate Refrigeration Systems for Reliable Cooling Power**

Two heavy duty, gravity fin-coil refrigeration systems insure uniform product cooling in the main deli compartment and the lower storage area. Forced air coil with its own expansion valve provides generous cooling for the curved glass display area. Each unit is proven reliable in all climates and is factory tested prior to shipping.

We reserve the right to change the specifications without notice.

+ Extreme high humidity conditions may require direct drains on S / c models.

MARC's CG Series Curved Glass Merchandisers are available in 4', 6' and 8' lengths!

model	height	length	depth	number of pans included	condenser unit HP	electrical volts & amps	approx shppg wt
CG-4 remote	55"	50"	34"	5 - 1/3 size	1/3**	115/1/60 - 1.7 amps	425 lbs
CG-6 remote	55"	72"	34"	8 - 1/3 size	1/2**	115/1/60 - 1.4 amps	525 lbs
CG-8 remote	55"	98"	34"	11 - 1/3 size	1/2**	115/1/60 - 3.0 amps	625 lbs
CG-4 S/C	55"	50"	34"	5 - 1/3 size	1/3*	115/1/60 - 12 amps	525 lbs
