ITEM #:

Designed Smart

- Heavy-duty top mount insulated round drop-in food well designed for installation in metal, or wood countertop if optional wood mounting kit is provided.
- Hot Food Well is designed to accommodate a 11 qt. round inset.
- The CH-11D is suitable for wet operation only.
- Standard EZ lock reduces installation time.
- Large indicating pilot light.
- Immersible heating element provides quick recovery.

Built Solid

- 20 ga. deep-drawn stainless steel well pans.
- The units are standard with complete UL construction including electrical conduit, bezel, and control box.
- Stainless steel drain coupling.
- Thermostatic control with 36" capillary (effective length 26").
- Compact housing - overall depth 9 1/4".
- Multiple units can be installed in same table or counter.

Reliability backed by APW Wyott's Warranty

- All APW Wyott food wells are backed by a 1-year parts and labor warranty, including on-site service calls within 50 miles of authorized service technicians.
- Certified by the following agencies:
