## MOBILE COOLING SHELVING ALUMINUM CONSTRUCTION

Channel's broad selection offers the best solutions for your applications.

- The Mobile Cooling Shelving is a versatile solution perfect for cooling, storage, display, or transport, making it ideal for bakeries, confectioneries, cafeterias, and banquet halls.
- Built from heavy-duty extruded aluminum with high tensile strength, it offers long-lasting performance even in demanding environments.
- The removable shelves are made of durable, chrome-plated steel wire that's easy to clean, while the open wire design promotes optimal airflow to assist in the cooling process.
- Equipped with 5-inch fully swiveling, non-marking casters, this rack ensures smooth mobility.
- Lifetime guarantee against rust.
