

Deep Well Utility Cart

Medium Duty

Model 2523

Model #2521

Rugged Design For Transport Applications

- 25% more weight capacity than standard duty models
- 3" shelf walls hold transport items securely
- Reinforced structural foam shelves and legs for extra durability
- Integrated push handle
- One-piece leg and caster mount design for added caster strength
- Available in two shelf sizes
- Assembles easily in minutes
- No-Mark® 5" plate-mount swivel and fixed casters

Specifications

Unit shall have two each shelves of reinforced structural foam plastic with a total load capacity of 500 lb. Shelves shall have 3" high edges on all sides. One-piece corner legs shall be of 2" x 2" structural foam plastic with reinforcing gussets. Leg bases shall feature integrated caster mount design for increased caster strength. Top shelf shall include integrated push handle. Casters shall be plate-mount type, 2 each fixed and 2 each swivel, and shall fasten directly to corner leg assembly. Caster wheels shall be 5" diameter non-marking. Unit shall be shipped unassembled.
