

LEAD FREE* SWIRL HOSE WATER SUPPLY LINES

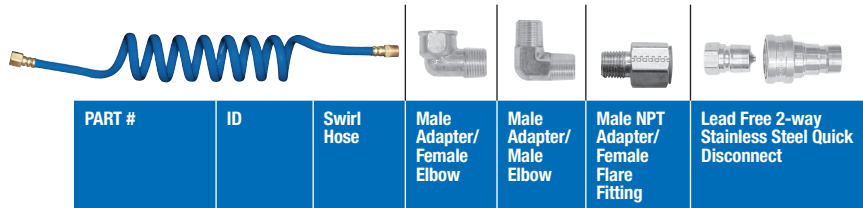

LEAD FREE* Connectors for Water-fed Appliances

The Dormont Swirl Hose quickly and easily connects water-fed appliances and equipment to the water supply line, providing trouble-free installations that save you time and money. Applications include ice machines, coffee makers, steamers, combi-ovens, and drain lines.

Made of durable, retractable, NSF-certified polyurethane

Ensures easy mobility of the equipment

Will not kink or crack like ordinary copper tubing.
