Designed Smart

Compact Design With High Output

- Fits in tight counter space
- Reaches boiling temperatures fast (8 minutes)

Saves Time and Clean-Up Labor Cost

- Available in a style that fits your operations
 - High output coil loops
 - Solid plate burners
- Easy to service with easy to open front panel
- Maintenance is easier with bottom-mounted grease collection pan and removable top grates
- Improved infinite control design gives operators maximum ability to control temperature and higher reliability

Model EHP Electric Hot Plate

Built Solid

Built to Last!

- Thick stainless steel construction protects against kitchen "wear and tear" and rust
- High temperature wiring used for long life

Reliability backed by APW Wyott's Warranty

- APW Wyott cooking equipment is backed by a 3-year limited warranty, and a 1-year on-site labor warranty.
- Certified by the following agencies:

APW Wyott Design Features

- Heavy-duty stainless steel construction
- Dual 8" (20cm) coil loops
- 4" (10cm) adjustable legs
- Hinged front panel with quick-release screws for easy service access
- Dual infinite controls with indicator lights (one for each coil)
- Removable chrome-plated drip pans under each heating coil

Options & Accessories

- Solid Plate Burners
