

GSM 5 Star

**STANDARD FEATURES**

- ◆ Kidney shaped material pusher is made from antimicrobial glass fiber compound
- ◆ Cutting head is dishwasher safe
- ◆ Powerful 1/2 HP gear-driven motor
- ◆ Optimum plate speed of 336 RPMs
- ◆ Cast stainless steel construction & sealed upper housing
- ◆ Double safety interlock - hopper head and food pusher
- ◆ Ergonomic 45° food hopper incline
- ◆ Removable hopper head and food pusher (no tools required)
- ◆ Discs are antimicrobial durable composite fiberglass & dishwasher safe
- ◆ Stainless steel knives are hardened, ground, leathered and hand-polished
- ◆ 47 discs are available

**CAPACITY**

Processes up to 600 lbs. per hour. Ideal for up to 300-400 meals.

**MOTOR**

1/2 HP, 115V-60HZ-1 Phase, 3 amps, automatic reset thermal overload protection.

**ON/OFF LATCH (INTERLOCKS)**

The hopper latch serves as the on/off switch and interlock for the hopper head. The unit will not operate with the hopper head open or unlatched.

**GEAR DRIVE**

Sealed planetary gear transmission with permanent grease lubrication. Output 336 RPMs.

**DESIGN**

Ergonomic 45° incline for convenient feeding, cutting and ejection of food. Separate food hopper permits continuous cutting of long products. The food pusher

**LIMITED WARRANTY:** PIPER PRODUCTS warrants to the original purchaser parts and labor for a period of twelve (12) months from the date of purchase. See manufacturer's complete warranty for details.

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
