

## Features

- All stainless steel construction
- Holds up to 2 glass racks
- Easy to clean
- Make use of wall space
- Drip holes on the bottom

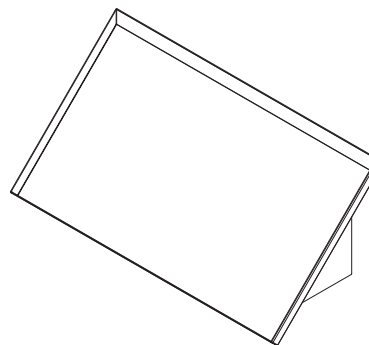

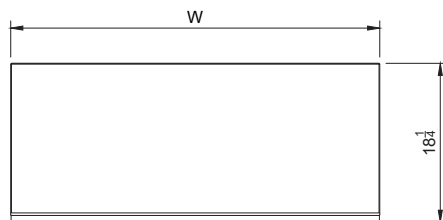

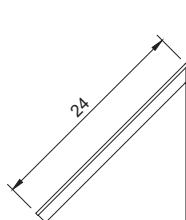

## Description

### Stainless Steel Wall Mount Shelf For Glass Rack

This wall mounted slanted rack shelf makes it easy to keep your dish rack organized. Position this shelf over your work table or sink to free up your valuable counter space. Capable of holding up to two separate full size glass racks at once, you'll be able to sort and organize all your tableware before putting it through the dishwasher.
