**Features**

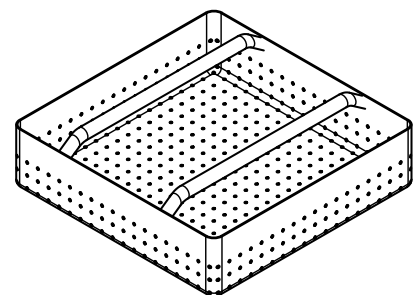

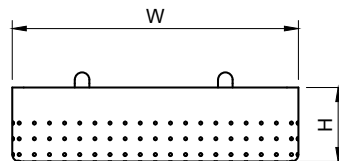

- All welded stainless steel construction
- Designed for compartment sink and dish table sink bowl
- Includes 2 handle bars
- Perforated design allows water flow through while catching debris
- Prevents scraps and food debris from clogging sink drain

**Description** **Stainless Steel Scrap Basket**

Accessorize your compartment sink with this perforated sink basket for sink bowls. With its perforated design, this 6" deep basket allows water to flow through freely but it catches debris for easy removal from the sink bowl. You can use it in your dump sink to catch fruit, straws, and cocktail garnishes for convenient disposal at the end of the night. Are you washing lots of small items in your compartment sink? You can even use this sink basket to make it easier to wash, rinse, and sanitize flatware or bar tools.
