Features

- Stainless steel construction, 1-5/8" diameter tubing
- Perfect for organizing dish racks or accessories
- Extra space to load racks for draining and storage
- Shipped knock-down
- Mounting hardware included

Description **Tubular Wall Mounted Drainage Shelf**

Use this tubular wall mounted drainage shelf to hold glass racks and bus tubs in your busy dish room! Great for drying and storing applications, it's made of 1 5/8" diameter stainless steel tubing and stainless steel side brackets. This durable rack shelf comes with stainless steel mounting bolts for quick and easy installation. It ships unassembled to help save on freight costs.
