

Food Blender

HBF400

3 Reasons to Buy!

Performance

- 2 speeds with pulse option for blending, mixing, chopping, and pureeing
- Powerful 1 Hp motor with the torque needed to blend thick, heavy mixtures

Durability

- All-metal drive coupling is built to last
- Tough 1.9 L stainless steel container

Ease of Use

- Timer automatically turns blender off after a preset time
- Removable dosing cup

2 Speeds with Pulse - Designed for precision blending, mixing, chopping, and pureeing a wide variety of food and drink mixtures.

Timer with Automatic Shutoff - Helps prevent overblending and frees up operators for other tasks.

1 Hp Motor - Offers excellent power and torque and features an all-metal drive coupling for lasting performance.

1.9 L Stainless Steel Container- Extra-large capacity saves time when blending for large groups; comfortable, easy-to-grip handle makes pouring heavy contents easier.

Removable Dosing Cup - Lets the operator easily add liquid while blending without spillage.

Stainless Steel Blades - Quickly cut through ingredients for easy blending.
