Bid Specifications

Heavy-duty Top mount insulated Rectangular Drop-In Food Well designed for installation in metal or wood countertops if optional wood mounting kit is provided. Hot Food Well is designed to accommodate standard size steamtable pans.

Well is constructed of deep-drawn 20 ga. Type 304 stainless steel, with 20 ga. aluminized outer housing with sides and bottom fully insulated. Units shipped with drain are provided with stainless steel 1/2" NPT drain welded to bottom of pan provided with removable screen. Unit is heated by a tubular heating element shaped in serpentine fashion for even heat distribution to pan base.

Element is mounted under well and secured by aluminized deflector shield for maximum efficiency. Unit standard with APW Wyott E-Z Locks on all four exterior sides for easy installation.

The units feature complete UL construction including electrical conduit, bezel and control box.

Top Mount Hot Food Well
