Triple Spindle Drink Mixer
HMD400

Includes 3 Stainless Steel Cups Model 110E

3 Reasons to Buy!

Performance

- Mixes up to twice as fast with more powerful one-third Hp motors
- Minimized motor vibration - each motor is individually balanced
- 3 speeds plus unique pulse switch for maximum mixing control

Durability

- Heavy-duty, die cast construction
- Motors are built to last with sealed, permanently lubricated ball bearings

Ease of Use

- 2 ways to start & stop mixing action: with pulse switch or cup guide
- Removable cup guides clean up quickly in the dishwasher

Optimum Output - The ideal choice for high-volume milkshake prep.

Performance - 1/3 Hp motor mix up to twice as fast, so you can maximize service and minimize the wait.

3 Separate Motors - Each motor works independently and has its own power switch, so you can use two while cleaning the third.

Precision Motors - Each motor is individually balanced to minimize vibration. All three motors are built to last with sealed, permanently lubricated ball bearings.

Two-Way Motor Activation - Operators can start and stop mixing action by inserting the cup into the cup guide, or by using the pulse switch on top of the mixer.

All-Metal, Heavy-Duty Construction - This classic design offers die cast durability in a smooth rounded shape that's easy to clean.

Specifications

Standard: Unit comes with base, three motors, three spindles, three solid agitators, and three stainless steel cups

Controls: 3 speed rocker switches and three unique pulse switches (one for each spindle)

Motor: 1/3 Hp on each motor

Electrical: 120 V, 60 Hz, 900 Watts

Weight: 37 lbs / 16.783 kg

Warranty: 1 year parts & labor

I 2 of 5: 00040094911028

3 speed switch plus unique fingertip-action pulse switch that starts and stops the motor.

Motor starts when mixing cup is inserted into the cup guide and stops when cup is removed. To save time, the cup guide pulls out for easy cleanup in the dishwasher.
