

4 Slice Heavy-Duty Toaster

HTS450

3 Reasons to Buy!

Performance

- Ultra-fast toasting output of up to 480 slices per hour*
- Ceramic elements and centering bread guides for even toasting

Durability

- Ceramic elements resist wear and damage for long life
- Magnet-based bread lifter with fewer moving parts
- Heavy-duty stainless steel exterior

Ease of Use

- Bread/bagel switch for maximum toasting versatility
- Cancel button lets operators stop toasting anytime

[Express Care Service Program](#)

During the product warranty dial 1-866-285-1087 toll-free to speak to a member of our highly trained technical staff. If minimal on-site maintenance cannot be performed, we'll ship a replacement product to your location. Continental US, Alaska and Hawaii only. Limitations and exclusions apply. See Operations Manual for details.

Ultra-Fast, Excellent Results: Ceramic elements heat evenly and quickly for a toasting output of 400 slices an hour. Bread guides center bread and hold it upright for even toasting.

Bread/Bagel Flexibility: Bread-to-bagel switch lets operators choose their preferred setting for maximum toasting flexibility and convenience.

Reliability: To reduce wear and tear, this heavy-duty toaster is equipped with a magnet-based bread lifter with fewer moving parts.

Safety Features: Unlike traditional open coil elements, heaters are lined with insulating ceramic for damage resistance and long life. Toaster shuts off automatically, even if toast is jammed.

Solid-State Temperature Sensor: Automatically adjusts toast time for consistent toasting results.

Specifications:
