

Lounge 2.0

Get ready to turn your drink service upside-down. The Lounge 2.0 collection from Spiegelau starts with a sleek, timeless silhouette, but look closer and you'll discover a stunning surprise: an embossed base that refracts light in a bejeweled optical pattern. For those who want the sophistication of classic glassware shapes with one-of-a-kind design, Lounge 2.0 delivers with every premium presentation.

Item No. 2718012

Features & Benefits

- High-end barware features unique design on base that creates memorable presentation
- Elevated embossment refracts light in jewel-like pattern when viewed from side
- Pressed construction and platinum technology for excellent durability
- Independently verified to maintain integrity after 1,500 commercial dishwasher cycles
