## FEATURES

- Ideal for high-volume, high-demand situations, this slush machine offers continuous, rapid production, thanks to its gravity-feed system.
- 4.76 gallon (18 L) capacity single barrel freezer.
- Front window ensuring product visibility, and encourages impulse purchasing.
- Refrigerated tank, air cooling.
- The advertising panel is LED-illuminated for greater customer appeal.
- Robust stainless steel structure.
- User friendly.
- Mechanical control board.
- Manual defrost mode.
- Certified NSF-6 safe for milk.
