## Mega Top Unit

Food Prep Tables  
 M3 Series

**3 YEAR PARTS & LABOR WARRANTY**

**Model : MST-72-30**

### FEATURES & BENEFITS

#### ■ Cold air compartment

Our innovative "Cold Air Compartment" maintains temperature evenly for each pan to preserve fresh food longer. In addition, the compartment isolates pans from the reach-in area to prevent food spillage.

#### ■ Stainless steel cabinet construction

The Turbo Air M3 model boasts a stainless steel exterior (galvanized steel back and bottom). Interior is stainless steel floor with AL sides and back. It guarantees the utmost in cleanliness and long product life. It can add a touch of style to the most refined setting.

#### ■ Convenient cutting board side rail

Our cutting board is 9-1/2" deep and 1/2" thick to provide ample working space, and is made of easy to use and sanitize LDPE (Low Density Polyethylene). The new side rail cutting board bracket makes it easy to secure and remove the cutting board and it accepts different sizes too (max. 1/2" thickness)

#### ■ Hot gas condensate system

Through Turbo Air's creative innovation, the condensate system surfaces have been specially treated to resist corrosion. This not only increases efficiency without the risk of refrigerant leakage from corrosion, but also prevents the overflow of condensate water.

#### ■ Efficient refrigeration system

M3's solid door refrigerators are designed with oversized and balanced (CFC Free R-134A) refrigeration systems. These include efficient evaporators and condensers for faster cooling and greater efficiency.

#### ■ High-density polyurethane insulation

The entire cabinet structure and solid doors are foamed-in-place using high density, CFC free polyurethane insulation.

#### ■ Magnetic door gaskets

Magnetic door gaskets are of one piece construction, removable without tools for ease of cleaning and replacement.

#### ■ Adjustable, heavy duty, PE (polyethylene) coated wire shelves

#### ■ Refrigerator holds 33°F ~ 39°F for the best in food preservation

Model	Swing Door	CU./FT.	#of Shelves	#of Pans	#of Hood	HP	AMPS	Crated Weight (lbs.)	L x D x H <sup>†</sup> (inches)

## Model : MST-72-30

ELECTRICAL DATA	
Voltage	115/60/1
Plug Type	Ⓜ NEMA 5-15P
Full Load Amperes	9.9
Compressor HP	1/2
Cord Length ft.	9
Refrigerant	R-134A
DIMENSIONAL DATA	
Ext. Length Overall in.	72 <sup>5</sup> / <sub>8</sub> (1844mm)
Ext. Depth Overall in.*	34 (864mm)
Ext. Height Overall in.†	39 (991mm)
# of Doors	3
# of Shelves	3
# of Pans	30
Net Capacity cu. ft.	23
Net Weight lbs.	356
Gross Weight lbs.	396

Design and specifications subject to change without notice.

Actual shipping weight may differ due to extra packing materials for product protection.

\* Depth does not include 3" for cutting boards and 1" for rear spacers.

† Height does not include 5-7/8" for caster height.

■ **WARRANTY : 2 Year Parts and Labor Warranty**  
**Additional 3 Year Warranty on Compressor**

- **Self-contained system**
- **Standard 4" swivel casters with locks on the front set**
- **Standard 1/6 size, 4" deep condiment pans included**
- **9 1/2" deep, 1/2" thick cutting board included**
- **Stainless steel double overshelf available (optional)**
- **Door locks available (optional)**
- **External digital thermometer available (optional)**
- **2.5" dia. casters available (optional) - 1/2" diameter & 13 TPI**
- **Legs available for all models (optional)**

■ **OPTIONAL ACCESSORIES :**

- 2.5" Diameter casters
- 5" Diameter casters
- 6" ABS plastic legs
- Additional stainless steel shelves
- Additional PE coated wire shelves
