

There are **NO** expansion valves included on remote models with the exception of the GDL Series, OD Series & PD Series.

#### **SHIPMENT**

A preferred carrier will be used when feasible, however, we reserve the right to ship via any responsible carrier. Rate charges or discrepancies are between carrier and consignee. All weights are approximate. Marc Refrigeration does not warrant actual weights or freight rates.

#### **DAMAGE**

Damaged goods are not to be returned to the factory. Claims for damages must be made by the consignee with the carrier. Marc Refrigeration assumes no responsibility from damage while in transit.

#### **LIMITED WARRANTY**

All equipment of our manufacture and bearing the Marc Refrigeration Mfg., Inc. name-plate is thoroughly inspected and carefully tested before shipment. We warrant it to be free from defects in workmanship and material before leaving our factory.

Under this warranty our obligation is limited to replacing or repairing without charge any equipment returned to our factory within one year from date of original shipment and found by our inspection to be defective in factory workmanship or material. All replacements and repairs will be F.O.B. factory.

No claims will be accepted for any part becoming defective through damage in transit, misuse, neglect, use for other than the intended purpose, improper installation, alteration, accident or act of God. We will not assume responsibility for loss of refrigerant not for labor charges, travel mileage, replacement parts purchased, or any other expense incurred in the field. Neither will we be liable for personal injury, food spoilage or other consequential damage of any kind.

For protection under this warranty, (A) all claims must be made by the registered original owner, (B) transportation charges on material returned to us must be prepaid.

The manufacturer, distributor and dealer makes no express or implied warranties, including warranty of merchantability or fitness for a particular use with respect to the equipment, and hereby disclaims the same, except as specifically set forth in this limited warranty.

This warranty is in lieu of all other guarantees, obligations, or liabilities express or implied by the company or its representatives.

In accordance with accepted industry practice, responsibility for installation, start-up and continuing service is to be arranged between the dealer and the user.

As a condition precedent for all coverage under this expressed warranty, (A) the registration card accompanying all products sold must be properly completed and forwarded to Seller within ten (10) days after original installation, (B) all claims must be filed by the registered original purchaser, and (C) all transportation charges on equipment returned to Seller must be prepaid.

#### **ADDITIONAL LIMITED WARRANTY ON SELF-CONTAINED MODELS**

All equipment of our manufacture and bearing the Marc Refrigeration Mfg., name-plate is thoroughly inspected and carefully tested before shipment.

A 180-day labor and 5 year compressor warranty (no labor after 180 days) policy is provided with new **self-contained** equipment through Equiguard, Inc. with the contract paperwork attached hereto. This labor policy is subject to limitations as stated in the Equiguard contract. All service contract needs shall be handled through Equiguard, 600 Joliet Road, Willow Brook, Illinois 60521, by calling phone number toll free 1-800-886-9363.

For protection under this warranty, (A) all claims must be made by the registered original owner, (B) transportation charges on material returned must be prepaid.

The manufacturer, distributor and dealer makes no express or implied warranties, including warranty of merchantability or fitness for a particular use with respect to the equipment and hereby disclaims the same, except as specifically set forth in this limited warranty through Equiguard, Inc.

This warranty is in lieu of all other guarantees, obligations, or liabilities express or implied by the company or its representatives.

In accordance with accepted industry practice, responsibility for installation, start-up and continuing service is to be arranged between the dealer and the user.

As a condition precedent for all coverage under the Equiguard warranty, (A) the registration card accompanying all products sold must be properly completed and forwarded to Seller within ten (10) days after original installation, (B) all claims must be filed by the registered original purchaser, and (C) all transportation charges on equipment returned to Equiguard must be prepaid.
