**MOIST HEAT BUN/FOOD WARMERS**

Keep your buns, fresh and tasty with Nemco's line of moist heat bun / food warmers! This unit will warm it, store it and sell it! They're great for holding buns or even buns with hotdogs. And they're manufactured to the high quality you are used to from Nemco! With several different sizes designed to fit beneath the Nemco Roller grill models, they make a very profitable addition to your operation.

**Standard Features:**

- Stainless steel construction
- Stainless steel rack in bottom of pan to separate buns from water
- Adjustable thermostat up to 200°F
- Easy open sliding drawer
- Fits under Roller Grill to maximize counter space

**BUN / FOOD WARMERS**

Whether you need capacity for two-or four-dozen buns, these durable, stainless steel, single-drawer warmers **without a water reservoir** will keep the buns and other foods fresh and ready to serve. Their space-saving, stackable design makes for an easy fit anywhere. 8024-BW has a stainless steel flip door.

**Standard Features:**

- Stainless steel construction
- Temperature of the **8024-BW reaches 100°F** and 8048-BW reaches 150°F
- Fits under Roller Grill to maximize counter space

**STAINLESS STEEL BUN BOXES**

Each of these commercial-grade boxes provides a durable, stackable storage unit that keeps your hot dog buns fresh (leave buns in bag). They are designed to accommodate the appropriate size roller grill for maximum countertop efficiency.

**Standard Features:**

- Stainless steel construction
- Polycarbonate hinged doors
- Fits under Roller Grill to maximize counter space
