

PE-3C-181812-18LR

3 Compartment Sink With Two 18" Drainboards

The Peach Foodservice PE-3C-181810-18LR is a durable and practical 3-compartment stainless steel sink designed to handle heavy-duty kitchen operations. Built from high-quality 18-gauge stainless steel, this sink provides long-lasting strength and resistance to rust and corrosion, making it ideal for busy commercial kitchens. Each of the three 18" x 18" x 12" compartments offers ample space for washing, rinsing, and sanitizing, while the integrated left and right drainboards provide convenient areas for drying or staging dishes.
