

Model: SDR220

Digital Shipping & Receiving Scale

Kitchen Measurement Tools

220 pounds/100 kilograms

The new Digital Shipping & Receiving Scale (SDR220) measures up to 220 pounds or 100 kilograms by pounds:ounces or kilograms. The big digit extendable display offers the opportunity for a flexible location and the programmable preset unit is perfect for comparing shipping weights. The SDR220 offers overload and battery status indications and can be powered by either a 9V battery or an AC adapter, both included.

The SDR220 joins the SM13201 in the Receiving Scales Series.

Features

- Programmable preset unit
- Tare function
- Extendable display
