SMART 220 - 250

9" and 10" Slicers

Smart 220

- High-quality, stylish, lightweight and compact space saving design
- Superior die-cast aluminum construction
- Easy to carry for catering needs
- The only ones in their class featuring a fan-cooled motor to avoid overheating
- Safety hand guard mounted to the carriage
- The easy, fast breakdown and the increased blade and machine body gap makes cleaning a breeze

Features

Technical:

- The slide shaft is made of ground, chromed steel for a smoother operation.
- The high-quality bushings and ball bearings are self-lubricating.
- The dial thickness control cam system allows for an always precise cut.

Safety:

- A safety cover is placed under the motor and the electrical components.
- The hopper features an exclusive heavy duty plastic protection to keep operator's hand at a safe distance from the blade while operating the slicer.

Sanitary:

- Easy to clean aluminum alloy construction does not crack or stain.
- The carriage and the center plate are quickly removable without tools.

Specifications

Operation: Gravity feed.

Construction: Superior die-cast aluminum construction.

Knife: One piece, chromium plated 100Cr6 forged carbon steel blade.

Sharpener: Built-in, removable two stone dual action.

Slice thickness: Infinitely variable up to 1/2"

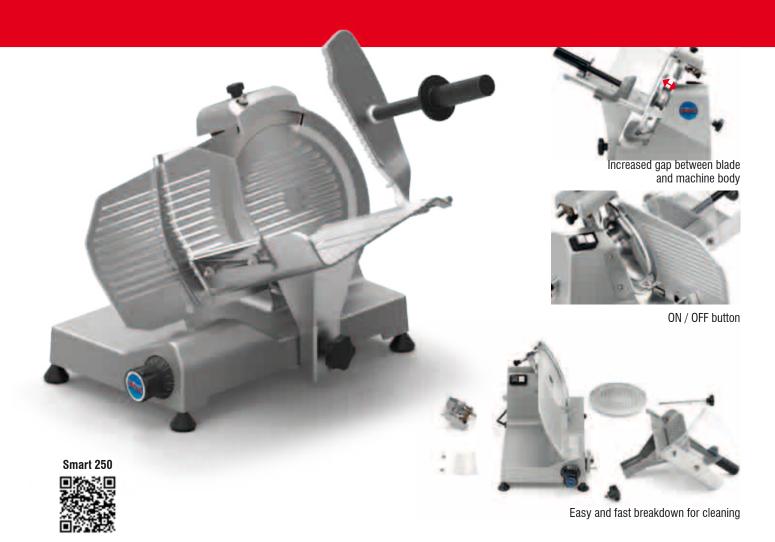

Motor: 0.25 Hp (185W), belt-driven, air-cooled.

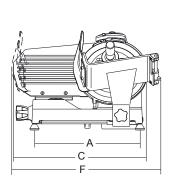

Electrical: 120V AC, 60Hz, 1.55 Amp.

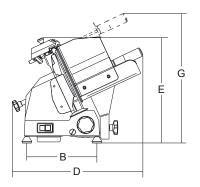

Plug & Cord: Attached, flexible, 3 wire SJT AWG 18, 6'4" long.

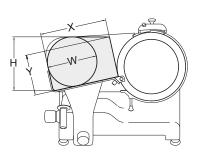

Switch: On/Off button.
