Manufacturer Warranty
1 years/10,000 cycles

Perfect For Bar Wells

Initially created for use in bar wells, the footprint of the SpaceSaver is the smallest in the blending industry. This machine is fully loaded with features, power and technology, packing a huge punch for it's small size. The versatile SpaceSaver can also be mounted in a countertop, reducing its height to less than two inches above the counter. With so many options to conserve your working area, the SpaceSaver truly saves space.
