T19 Step Light® Safety/Anti-fatigue Matting

Available Colors: Black, Red

Step Light® is a cost effective light weight anti-fatigue mat available in general purpose (black) and heavy-duty (red) rubber compounds for varying degrees of grease and oil protection. Its' large hole design provides excellent drainage removing liquids and debris from the worker platform and its' lightweight construction makes it easy to handle. An aggressive anti-slip top surface enhances traction in wet or greasy environments.
