T37 Atlantic Olefin Entrance Matting

Available Colors: Slate Blue, Crimson, Forest Green, Dark Toast, Gun Metal

Designed for use in light to medium foot traffic areas, Atlantic Olefins' durable Olefin fibers provide moisture and dirt retention at entrances and passageways; reducing slip hazards and floor care maintenance. Atlantic Olefin is a step above the commodity entrance mat and is intended for all medium traffic areas including entrances and lobbies. A vinyl non-slip backing helps to minimize mat movement.
