CAYENNE® CONVECTION OVENS

40703

40702

Cayenne® Convection Ovens

DESCRIPTION

Vollrath Cayenne® Convection Ovens offer the perfect opportunity for operations to break into the fresh-baked market or expand existing menus. Ideally suited for dough products, pastries, and cakes— use with pre-made frozen products to achieve fresh-baked sales with high speed and minimal fuss.

MODELS

- 40703 Convection Oven – Half-Size Sheet Pans
- 40701 Convection Oven – Half-Size Sheet Pans
- 40702 Convection Oven – Full-Size Sheet Pans

FEATURES

- 120 minute bake timer feature automatically switches oven off after set time
- Cool-touch door is easily removable for cleaning – features heavy-duty stainless steel construction and hinges for durability
- Removable shelf runners and rounded interior corners for easier cleaning
- Supplied with non-tip, chrome plated steel shelves
- Interior light makes monitoring cooking easier
- Temperature range: 150° - 570° F (66° - 299° C)
- Knob guard protects thermostat and timer against damage or accidental changes
- 40703 is the perfect size for portable catering applications, and features standard 120 volt, 15 amp cord and plug
- 40701 and 40703 feature a broil function to add grilling, roasting, and browning capabilities all in one package
- 40702 features a steam injection system for manual humidity control, which allows for browning and crisping of pastry and bread products. Also features advanced circulation with dual, self-reversing fans for more uniform cooking.
