BC18

18" BOWL CUTTER

Powerful 18" bowl cutter with built in #12 PTO hub

PUMP UP THE VOLUME OF YOUR FOOD PREPARATION TASKS!

This all-in-one workstation is designed for volume production of numerous food preparation tasks. The bowl cutter uses cutlery grade, twin stainless steel knives that make 3,768 cuts per minute. Cut products that vary from parsley and root

vegetables to meats, cheeses and breads as coarse or fine as you like! The stainless steel bowl revolves at 22 rpm, so the longer the product stays in, the finer the cut. Unlike traditional food processors, the BC18 allows for continuous operation; no

Cutting knives make 3,768 cuts a minute

Built in #12 PTO hub

Removable & reversible cutting board

Durable polished & anodized aluminum construction

Great for spreads, dips & salads

Large 18" bowl

need to stop unit to empty the bowl! This workhorse of a unit also features a built-in #12 PTO hub. Attach optional equipment such as the **VS9** Vegetable cutter and slice away or attached the **VS9H** shredder and grater unit to make coleslaw or grate cheese. Also available is the **ALMFC12** meat and food chopper, which you can use to grind hamburger, pork or make sausages. These items are available from your Univex Authorized Dealer. Safety features include sensors that prevent the unit from running without the bowl and cover in place and no voltage release protection; the unit won't accidentally turn on after power failure. The BC18 also features a removable, dishwasher safe cutting board that is reversible. **NSF** approved and **UL** listed.

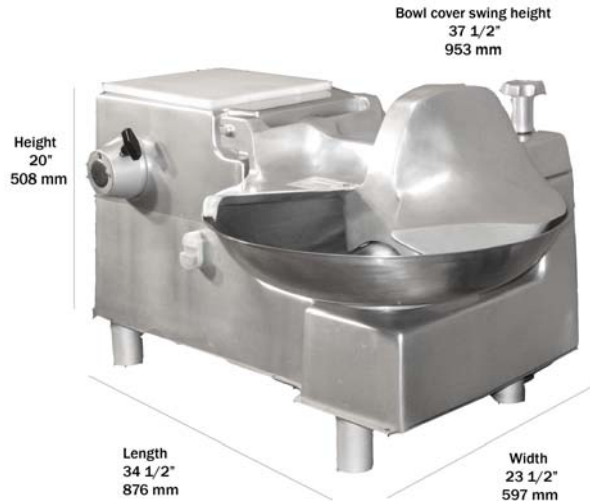

Warranty

The BC18 Bowl Cutter carries a one-year, on-site parts and labor warranty against any flaws in materials and workmanship. This period begins date of purchase and, provided the unit is used in accordance with our instructions, is in full effect for one year from that date. Any work performed under this warranty must be performed between the hours of 8:00 a.m. and 5:00 p.m. local time, Monday through Friday. Univex will not pay for overtime charges for work performed other than during normal business hours. Damage incurred in transit or from installation error, accident, alteration or misuse are not covered. Univex shall not be liable for any consequential, compensatory, incidental, or special damages. Contact the Univex service department for any warranty claims.
