

Free Standing Bulb Warmers

B1A, B1B, B2A, B2B, B3A, B3B, B1-2

Keep cooked foods fresh and appetizing from preparation to serving!

Model B2B

Merco Free Standing Bulb Warmers are ideal for fried foods, hors d'oeuvres, rolls, cob corn or any cooked food.

Standard Features

Aluminum alloy construction. Ventilated aluminum reflectors with heavy-duty electrical sockets. 6-foot cordset with in-line on/off switch (two on model B1-2).

Merco Free Standing Bulb Warmers are manufactured from specially selected alloys for long life and easy cleaning. Models are available in 1, 2, and 3 bulb configurations as well as a special 3 bulb unit for most commercial food slicers (B1-2). All models are designed for maximum stability, and feature adjustable arms to vary the height for perfect warming of any hot food. Standard equipment includes a 6-foot cordset with in-line on/off switch conveniently located out of the heat zone (two cordsets on Model B1-2 Slicer Warmer). No matter which model you choose, you'll be getting the most for your money.

Electrical Requirements

All models are available in 120 or 240 volts, single phase AC only. 120 volt units are furnished with white bulbs (red bulbs optional). 240 volt units are furnished with red bulbs only.
