PZ3000 DIGITAL INGREDIENT SCALES

Detecto's stainless steel PZ3000 features totally touchless zeroing of each ingredient for more sanitary conditions and faster prepping. The scales allow convenient units switching between most used measurements and each measurement can easily be turned off.

This ingredient scale features an AC adapter or battery operation with up to 50 hours of continuous use. Non-skid feet allow it to remain steady on slippery surfaces and optional foot tare and mountable push-button switches are available.

Model PZ3015

Detecto models PZ3015, PZ3015L and PZ3030 feature a remote display with a swivel-mount stainless steel bracket for table or wall mount while the model PZ3060 comes standard with a bracket for mounting the display on the front of the scale base.
