

The Affordable and **HEALTHIER** Alternative to Deep-Fat Fryers

Now available with an optional 3.5" Color LCD Touchscreen Display and USB port

The patented **Quik n' Crispy® Model GF5** uses a combination of forced hot air, radiant heat, and an elevated perforated cooking basket to prepare ovenable frozen foods to the taste and texture as if they were deep-fat fried. Crispy on the outside and moist and tender on the inside!

- **Offer Healthier Foods**—Ovenable foods “hot-air fried” in the Quik n' Crispy are 20% to 40% lower in fat compared to deep fat fried foods!
- **No Exhaust Vents Required**—The Model GF5 has been tested by UL and now complies with EPA 202/UL710B Standards for Commercial Cooking Appliances with Integral Systems for Limiting the Emission of Grease Laden Air!
- **Versatile**—Prepares french fries, egg rolls, corn dogs, chicken tenders, tacos and other “fried foods;” Grills up to 50 hot dogs in 5 minutes; Bakes pizzas, pretzels and hot sandwiches!
- **Easy to Program**—Create and edit 15 recipes with menu names, times, and temperatures. Use the USB feature to import and export recipes to multiple units within your system!
- **Quick and Safe**—Cooks 20% to 40% faster than convection ovens without the mess and hazards of using hot grease!

Stackable! Recommend 20" height for appliance table or cart when stacked.
