- ★ Accessory full basket (8-3/4"W x 5-1/4"D x 10"L) available.

Model 515D/515ED

Applications:

Star-Max® single pot electric fryer has a wide variety of frying capabilities and is perfect for today's diverse menu selections. No matter what the menu items; onion rings, fries, chicken or fish, Star-Max® electric fryer cooks food sealing in the flavor.

Quality Construction:

Star's electric 15 lb. fryer features all stainless steel construction. A control housing with indicator light, adjustable snap-action thermostat, hi-limit safety thermostat and immersion type elements are standard. Housing swings up to allow 15 lb. fat capacity kettle to be removed. Fryers operate on 208 or 240 volts with a 6' cord and plug.

Warranty:

Star-Max® Electric Fryers are covered by Star's one year parts and labor warranty.
