

## WAFFLE CONE BAKERS

### Model SWCBE

#### Features/Benefits:

- ★ Star's Waffle Cone Baker serves freshly baked waffle cones anytime you want them.
- ★ Heavy-duty cast aluminum 8" grids stand up to constant use.
- ★ Full floating stainless steel hinge design rises evenly allowing for equal expansion of product for fully cooked cones every time.
- ★ Digital electronic timer takes the guesswork out of preparing waffle cones.
- ★ Metal sheathed tubular elements located on top and bottom grids provide even heat distribution and maximum performance.
- ★ Heavy duty on/off switch with indicator light for easy operations.

#### Applications:

Perfect for yogurt and ice cream parlors or any place you want freshly baked waffle cones.

#### Quality Construction:

Star's waffle cone baker is built of polished stainless steel with heavy-duty cast aluminum grids and feature a full floating hinge made of heavy-duty stainless steel. Metal sheathed tubular elements located on top and bottom grids and a digital electronic timer with precision settings are standard.

#### Warranty:

The Waffle Cone Baker is covered by Star's one year parts and labor warranty.
